

## **Chasen Logistics Services Limited**

Chasen, one of the leading logistics service provider, specializing in equipment relocation is inviting suitably qualified candidates to join its growing team.

### **Operations Supervisor**

West - Jurong

#### **Responsibilities:**

- Overseeing the physical movement and installation of equipment, ensuring proper handling, placement, and connection within the cleanroom.
- Implementing and enforcing strict cleanroom procedures, including contamination control, proper gowning, and material handling to maintain the required environmental conditions.
- Collaborating with project managers, engineers, contractors, and other relevant personnel to ensure smooth execution of work and timely completion of projects.
- Ensuring all work activities comply with safety regulations, including those related to electrical work, lifting, and hazardous materials, as well as environmental regulations for cleanroom operations.
- Maintaining accurate records of work performed, equipment status, and any issues encountered, and providing regular updates to project managers and other stakeholders.
- Identifying and resolving any issues that may arise during equipment installation, relocation, or maintenance, ensuring minimal disruption to cleanroom operations.
- Guiding and supervising other team members or contractors involved in the process, ensuring they understand and follow established procedures.

#### **Requirements:**

- N-level and above.
- Strong understanding of construction methods, equipment handling, and cleanroom protocols.
- Ability to identify and resolve issues quickly and efficiently.
- Interpersonal, and team-building skills.
- Self-motivated, detailed-minded with great sense of responsibility.
- Possess good communication skills.
- Able to work at height.
- Must be prepared to work weekend and overtime if required during peak periods.
- Able to start work immediately.
- 5.5 days' work week.
