Rationale for the grant

Mr Low Weng Fatt took over the helm of the Company's subsidiary, Chasen Logistics Services Limited, in 2001. He has been with the Company since 1996 when it operated as a partnership and has played a pivotal role in steering the growth of Company since he became its Managing Director. He has ably led the Group with his extensive experience in the logistics industry by exploiting its first mover advantage in meeting the growing specialist relocation needs of manufacturers and other businesses which use sophisticated and expensive machines and equipment in their operations locally and in this region and building up a good track record and reputation for the Group.

He has in-depth knowledge of the needs of the business as it evolved over the years. His ability to anticipate business trends and demand has enabled the Group to offer the right type of skills, equipment and service-add services to meet the total, Malaysia needs of customers. The development of this comprehensive range of services to meet the customers' relocation logistics needs also enabled the Group to replicate our services capabilities overseas in particular the People's Republic of China, Malaysia, Vietnam and in 2016, the United States of America.

Since the Company was listed on SGX in February 2007, Mr Low continues to play an instrumental role in charting the Group's business development, growth and expansion into the region including extending its core business higher up the supply chain to include technical and engineering services to complement its logistics capability. This competitive advantage enabled the Company to generate revenue well past \$100 million annually. The Directors are of the view that the remuneration package of Mr Low which includes awards under the Plan, is fair given his contributions to the Group. The extension of the Plan to Mr Low is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company. Although Mr Low already has a shareholding interest in the Company, the extension of the Plan to him will ensure that he is equally entitled, with the other employees who are not Controlling Shareholders, to take part in and benefit from this system of remuneration, thereby enhancing his long term commitment to the Group.

The participation of Mr Low under the Plan has been approved by shareholders when they approved the Plan at the Extraordinary General Meeting held on 28 July 2017. This resolution seeks for the above-stated reasons, shareholders' approval for the Directors to grant an award of up to a maximum of 200,000 shares to Mr Low for the current award in accordance with the Plan.

Mainboard Rule 845(1) provides that the aggregate number of shares available under all schemes must not exceed 15% of the total number of issued shares excluding treasury shares and subsidiary holdings from time to time. Based on the total number of issued shares 387,026,748 (excluding 1,841,107 treasury shares). The maximum aggregate number of shares available under the Chasen Performance Share Plan 2017 would be 58,054,012 shares.

Mainboard Listing Rule 845(2) provides that the aggregate number of shares available to controlling shareholders and their associates must not exceed 25% of the shares available under a scheme. The maximum aggregate number of shares available to controlling shareholders and their associates would be 14,513,503 shares.

Mainboard Listing Rule 845(3) provides that the number of shares available to each controlling shareholder or his associate must not exceed 10% of the shares available under a scheme. The maximum number of shares available to each controlling shareholder or his associate would be 5,805,401.

For the purpose of Listing Rule 845(1), there were no grant of awards or award shares issued for the Chasen Performance Share Plan 2017.

For the purpose of Listing Rule 845(2) and (3), there were no grant of awards or award shares issued to any controlling shareholders and their associates for the Chasen Performance Share Plan 2017.

The Company has not granted or issued any award shares to Mr Low: (a) pursuant to the resolution passed in July 2018; nor (b) under the Chasen Performance Share Plan 2017.

The grant of an award of up to a maximum of 200,000 shares to Mr Low under the Chasen Performance Share Plan 2017 represent 0.34% of the maximum aggregate number of shares available under the Chasen Performance Share Plan 2017.

The grant of an award of up to a maximum of 200,000 shares to Mr Low under the Chasen Performance Share Plan 2017 would be in compliance with Listing Rule 845(1), (2) and (3).
