The Board of Directors of Chasen Holdings Limited (the “Company”) is pleased to announce that the Group has secured projects in Singapore, Malaysia, China and Vietnam under the three business segments for FY2015/2016, as follows:

RELOCATION BUSINESS SEGMENT	
Nature of Project	Relocation services for move-in, installation of equipment as well as related logistics services involving crating/uncrating and warehousing.
Value of Projects	S\$28.2 million
Duration	25 months (from April 2015 to May 2017)
THIRD PARTY LOGISTICS BUSINESS SEGMENT	
Nature of Project	Transportation, delivery and storage of goods and machine parts within Peninsular Malaysia as well as cross-border transportation into Singapore and Thailand.
Value of Projects	RM6 million (S\$2 million)
Duration	12 months (May 2015 – April 2016)
TECHNICAL & ENGINEERING BUSINESS SEGMENT	
Nature of Project	Design, supply, erection, and dismantle of metal scaffolding for building, retrofitting and construction projects as well as steel and structural works for private and government building developments.
Value of Projects	S\$14.3 million
Duration	18 months (April 2015 – October 2016)

The Projects will be funded through bank borrowings and internal financial resources.

The Projects are entered into in the ordinary course of business. Barring unforeseen circumstances, it is expected that the Projects will have a positive contribution to the financial result of the Group for the current financial year ending 31 March 2016. Several of the above projects are expected to spill over into the next financial year (FY2017).

None of the Directors or controlling shareholders or substantial shareholders of the Company has any interest, directly or indirectly, in the Projects.

Press Release

Chasen secures contracts worth S\$44.5 million to date for FY2016

Highlights:

- **New contract wins include relocation and move-in services for TFT LCD manufacturing plants in the PRC worth RMB100 million (equivalent to approximately S\$20 million), underlying the Group's strong and growing presence in the country.**
- **Other contracts secured are from Singapore, Malaysia and Vietnam. This is a demonstration of the Group's capabilities in making further inroads in its regionalization strategy across the three business segments.**

Singapore, 31 August 2015 – SGX Mainboard-listed Chasen Holdings Limited ("Chasen" or the "Group"), an investment holding company with subsidiaries in Specialist Relocation Solutions, Technical & Engineering services and Third-Party Logistics, is pleased to announce that it had secured contracts worth S\$44.5 million for FY2015/2016.

The secured contracts to date are from Chasen's three business segments as follow:

- *Relocation Business Segment* – Relocation and move-in services amounting to approximately S\$28.2 million for projects in Singapore, PRC, Malaysia and Vietnam. Some of these projects include the relocation of a Singapore major research institute to their new premises at Fusionopolis, move-in of equipment for the Downtown MRT Line 3, for a Korean and a Chinese state-owned TFT LCD manufacturing plants in PRC, and for several electronic and semi-conductor companies in Malaysia and Vietnam.
- *Third Party Logistics Business Segment* - Transportation and warehousing of goods and machine parts for companies across Peninsular Malaysia as well as cross-border transportation in and out of Singapore and Thailand worth RM6 million (equivalent to approximately S\$2 million).

- *Technical & Engineering Business Segment* - Design and supply of metal scaffolding and retrofitting works for building construction projects as well as steel and structural works for private and government building developments in Singapore. The contracts secured in this business segment are valued at S\$14.3 million.

Commenting on the secured book orders, Mr Low Weng Fatt, Managing Director and CEO of Chasen said, ***“These secured contracts are a demonstration of our strength and capabilities in the markets we are operating in. Despite the less than rosy economic outlook, we continue to secure projects across the different sectors. These project-wins attest to our customers’ confidence in the Chasen brand and have given us the motivation to continue in our business growth. Moving forward, our three business segments would continue working together to synergize their services and capabilities to meet the diverse needs of our international clientele.”***

FY2016

These new contracts secured are in line with the Group's outlook for FY2016. Several of these contracts would also spill over into the next financial year (FY2017). The Group remains confident in clinching more prospective contracts across its various business segments.

In addition to improving its revenue, the Group will also continue to streamline administration in the various subsidiaries with a view to further reduce overall administrative costs to improve the group's margins and profitability.
